APPLIED META-PHYSICS, THE SCIENCE OF BE-ING AND KNOWING

ESSAY: POWER

*Chief of all the temptations laid at the feet of
men is the seductive lure of power.*

Throughout recorded history, the human family has been caught up in a power struggle. It is the greatest struggle of all, and its cause, once again, is the ignorance of our true nature as offspring of God, and the unity which would otherwise result from that.

The struggle for supremacy in the world, is the result of the dark psychic forces of the Race Thought Atmosphere, which are the reservoir of egregores, demons, fallen desires and jinn, the existence of which the average person knows nothing about, even though they influence and control a huge amount of their lives.

Those who are not aware of, or sensitive to the dark forces are referred to as “the blind”. They are so called, because they have not yet awakened the faculties of the mind, which connect us to the Spiritual, and all other realms, which enables us to see psychologically, and understand why we have felt bound and restricted in

many ways.

Due to the loneliness, and fear created by being divided from the inner source, from the most ancient times, people have sought to invoke power and use it to their advantage. Our world today is totally submersed in the darkened Race Thought Atmosphere causing power struggles, the struggle for control of resources, the quest for personal ownership and personal power, and most are not aware, that by subscribing to these concepts, they are feeding the very dark forces they seek to be free from.

Indeed, the average person is not even aware that many people are involved in invoking the spirit to harness it in order to do evil. In worldly terms, the more 'powerful' the 'leader', the more they have succumbed to the dark forces and are in the sleep of death.

Some people pay very large sums of money to these *dark magicians*, who use mental and spiritual techniques, way beyond the ken of their audience, to hypnotise them deeply, to get them to subscribe to their ways and value systems. Those seeking worldly wealth attend enormous gatherings, in an attempt to fulfil a promise that they too can generate huge

amounts of wealth and 'live the good life' *'if they will emulate the speaker's thinking and behaviour*. So few seem aware that they are immersing themselves in the dark forces and being subjected to the seductive egregores and demons, who will create a counterfeit feeling of 'love', which dissipates even before the end of the 'conference' or 'seminar'. Yet is strong enough to trap ignorant and unsuspecting minds.

The goal in attending these meetings is to 'get rich' after the world's measure of riches. To become a 'millionaire' or 'billionaire' and all those doing so, do not realise that they are participating in a system, which sustains 'classes' and divisions, and which is in reality evidence of their own *divided house*, these ideas are the fruit of the Satanic consciousness, which leads to death.

"A house divided against itself cannot stand"... and so, many of the hu-man family are set against one another, missing out on the absolute simplicity of the *gift* of life, because each is set against the other, having been hypnotised by, and are slaves to the dark forces within and around us.

All over the world, there are a multitude of

divisions, due to the forces living within each person... some people think that other people are driving the 'divide and conquer' process, which divides and segregates the human family, yet, the reality is, it is the influences of the dark forces, which have trapped their minds and which are driving it.

Again, I remind the reader of Paul's words:

*"For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, **against spiritual wickedness in high places.**"*

Metaphysically Paul represents the word of truth working within us, to enable us to receive the light, by dissolving and dispelling the crystalized thought-forms living in us, preventing us from embodying the truth.

As we receive the words and light of Truth, via the Living Word, and live *from it*, it's power increases within us, and sets us free. *"You shall **know** [be at one with] the truth, and the truth shall set you free"*.

The darkened forces feed off of ignorance and the drama generated between people at odds with one another. These forces ensure continued drama by implanting themselves into the hearts and minds of people, at a very young

age, and so each person grows up in an emotional and mental prison, where they think the other person is the 'enemy', instead of understanding, that it is these dark forces tempting, seducing, and living within us, which have sustained the division for thousands of years.

These forces certain of our forebears called 'sin'. Sin prevents us from expressing our highest ideals, from communion with God, and from reaching our full potential as offspring of God.

The dark forces working through the world's so called 'leaders' causes them to do everything they can to sustain the power they have manoeuvred themselves into attaining. In this way the 'leaders' have been seduced and become powerless to resist the dark forces, and so they do their will and this sustains the division, and the drama, which feeds them as they constantly dream up new ways to strengthen their spell over the people, so they can feed off the drama and their power, as they submit to the dark forces.

These dark forces are very clever, they have been summoned and fed, and used for thousands of years. Some call them the 'Genius of evil', though that is a misnomer, as clever as

they are, they can never emulate the *Light of Genius*.

The ONLY way we can each overcome them, is by invoking the Light of the Spirit within us, the very Spirit of God; the *Light of Life*. OUR freedom, peace of mind, and social harmony are dependent on the extent we are able to dissolve the ideas, which the dark forces have used and continue to use to gain their power over us.

AGAIN, *we are not struggling with other people*, although the dark forces do use ALL those who fight on any 'side' as puppets. We MUST see beyond this deception, this idea of any and every form of division, and realise that every person is the *offspring of God*, and each one is, to a lesser or greater degree, caught up in a deep hypnosis, out of which only the Spirit/Light of God, can awaken them.

As each individual awakens and increases the *Light within them*, the dark forces become diminutive in force, and the *Light within* charges our Words with the *Light of Wisdom*, and the *Light of Love*, and when we speak, we charge our Words with these Powers. Then, as we speak Wisely, with Love, we activate the *Power* centre in our voice box, which amplifies the Spiritual voltage of every word, and this is

how we restore *Spiritual selfless power* to each individual.

The egregores controlling the people seek to prevent this. Working through the carnal mind in each of us, doing everything they can to sustain control over us, the egregores and other aspects of the Race Thought Atmosphere seek to maintain control of the whole hu-man family.

THIS is the reason, why, in the past, good men and women have been murdered, those who have been healers have been murdered. Those who taught the *Way* to develop these powers, were murdered, because in those times the dark forces had completely hijacked the intellects of the vast majority of people and they did not realise that they were controlled by these forces, and the healers sought to free them, yet the power of the dark forces within those enslaved were so strong **they murdered those who, alone, had the power to liberate them.**

“Forgive them father for they know not what they do!”

The words of Jesus (I AM) recorded when he was being murdered, and he did not retaliate because that would have fed the darkness he

came to dispel, reveal that the vast majority of people were so deeply hypnotised and seduced by the dark forces, that they *murdered the only person who understood how to heal them completely and who taught the ReGeneration.*

To this day, the same forces are working with-in a great many people to sustain their power over the masses, *who fortunately are awakening more and more every day.*

We can be assured that as each person awakening *learns and speaks words of truth*, the dark forces are dissolved and the hypnotic spell broken. The **New World** every sane person seeks *comes in no other way, except through us.* We must each awaken from the deep sleep and *embody the Light*, which heals us as individuals and harmonises social relationships.

The POWER to manifest our highest ideals is within every heart, and when we invoke the Spirit every day, we grow stronger and stronger, and the hold the dark forces have over us diminish until they are dissolved completely.

EVERY person needs to accept full responsibility for their every thought-word and deed. Each must look in the mirror and identify what their own body, their Book of Life is

teaching them, and do the necessary work to ReGenerate and heal.

“I come that you may have life and have it abundantly”.—Jesus (I AM)

This abundant Life flows into us, through us, and is expressed in the world through sincere words of Love, Light and Wisdom. When we dis-cover the I AM within us, we are touching the hem of Jesus, and virtue flows from Jesus, the I AM and heals us.

There are no such things as ‘incurable diseases’ - *all dis-ease is the fruit of the lower mind*, the carnal mind, the 666 mind, which severely limits the Spiritual power of Life flowing through us, which is necessary for perfect health. Conversely all healing is of the higher mind, the I AM, which when lived from, increases the Spiritual Power flowing through us, and heals all our ills. Incurable, means, we go *within* to the higher mind, to heal, and turn away from the lower mind, which is the petri dish of all dis-ease.

As the 666 mind has caused all dis-ease it cannot supply any remedy! All its so called remedies are deceits, sometimes alleviating suffering for a while, yet not removing the cause, *which it itself IS*. It does not seek a cure, be-

cause it is *the disease*, and so this is why the human family is led astray with carnal remedies, which poison it further and sustain the sleep of death. YES! The Spirit can and does work through all of us *in a measure*. We can **all** be a succour to one another. Issues arise when the egregores and demons of the Race Thought Atmosphere seduce people into using their talents for personal power and selfish gain and this creates a false value system and inequity, disharmony, poverty and dis-ease in society. Why, will become very clear in the essays to follow, which discuss the Divine Law, which is the Doorway to Everlasting Life.

To increase one's Spiritual power, invoke the Holy Spirit every day. Involve the Spirit in every activity as you would desire of a lover. Seek its advice as you would your most trusted friend, because that is exactly what God is to every one of us.

Then, when you receive the Light of the Spirit, and **feel** it flowing through you, speak the Words it gives you, and they will be charged with *Spiritual Power* as they pass through the voice box. What before was Adam's downfall, due to ignorance, becomes our salvation in Wisdom and Love.

Applied Meta-Physics is the oldest Science in existence. It is the study of who we are and why we are here.

It is sometimes called 'The Science of Making the Ideal Real', because it identifies in concrete terms the abstract workings of the mind, and teaches the steps every eternal idea passes through in transition from the plane of the eternal spiritual world, to become manifest on the earth plane.

The sacred writings we have inherited are metaphysical in nature. This means they have been written through the inspiration of the Paraclete using words, which have varied meanings, interpreted accordingly, depending on which level of consciousness the reader has achieved.

The *art* of Applied Meta-Physics is to 'conceal, to reveal'. The Wisdom the writers concealed protects it from those who would destroy the writings, *and therefore destroy themselves*, until a time when the human family matured and awakened and realised its need.

The scriptures are like an offer to an addict deep in the throes of ad-diction, rejecting what they really need most, and lashing out, because they have lost control of their own minds. In the height of the loss of control the addict attacks those seeking to help them and would destroy them.

The parables, analogies, codes and koans in the Helios Biblia have preserved these writings, as the power of the Word concealed within them has worked in the hu-man consciousness to do exactly that.

Applied Meta-Physics is the Key opening the way to comprehending their riches and applying the Wisdom revealed in one's life and proving the truth thereof.

There is a simple fact of life:

We are all created equal, in that we are all the offspring of God, and we form our lives by the thoughts, words, deeds we think, speak and do. The equality is that the Divine Law is no respecter of personalities.

We are all held responsible for everything we do, and our body either regenerates or degenerates according to the motives of our hearts. If we seek to rule others, we are using the life we have been given to express ourselves contrary to the Divine Law, and this is slow and definite suicide.

If we submit to the will of another, this too is slow suicide and contrary to the Divine Law.

The LAW IS!

It is the Doorway to Everlasting Life.

PEACE.
