# APPLIED META-PHYSICS, THE SCIENCE OF BE-ING AND KNOWING

## ESSAY: YESTERDAY, WHY IT IS SO CALLED

Why Yesterday is so called, and why it's really important that you know:

'Yesterday' is so called because those who named it were giving us a clue as to how the world works.

Yes: is an affirmative - an agreement.

Ter: is short for Terra - the earth plane of consciousness.

Day: the light of present understanding.

So yes-terra-day we spoke, and when we did, created an agreement to live by the words we had just spoken, and we pre-sent the meaning and power (intellect and emotion, force and form) of the spoken word to our 'future selves'.

Our future self receives the words 'pre-sent' by our previous self, and experiences every word in the present, or 'pre-sent' experience.

So, the Words we spoke we were sending a *present* to ourselves, and when we receive the experience, each one is a gift to ourselves, and, to each other.

EVERYTHING we experience is the fruit of WORDS SPOKEN for they set the Law into activity on this plane of consciousness.

The world is as it is, because people have never been openly taught about the power of Words to SHAPE EVERYTHING. And where it is contained in ancient teachings, the power is attributed to 'special' individuals, which is either ignorance or deceit on behalf of the interpreters.

**FACT is:**  
**We are ALL the embodiment of the**  
**Divine Logos / The WORD.**

Remember, we are formed of the earth, then given the breath of life – that is ONE breath in ALL of us.

As we 'open' each 'present' we receive it, acknowledge it and 'eat' it, that is we experience it and determine if we need to grow further or if the past way of thinking is relevant to our lives.

So, in every moment, we can change direction, or accept the gift as relevant and continue to live by it.

**Applied Meta-Physics** is the oldest Science in existence. It is the study of who we are and why we are here.

It is sometimes called 'The Science of Making the Ideal Real,' because it identifies in concrete terms the abstract workings of the mind, and teaches the steps every eternal idea passes through in transition from the plane of the eternal spiritual world, to become manifest on the earth plane.

The sacred writings we have inherited are meta-physical in nature. This means they have been written through the inspiration of the Paraclete using words, which have varied meanings, interpreted accordingly, depending on which level of consciousness the reader has achieved.

The *art* of Applied Meta-Physics is to 'conceal, to reveal.' The Wisdom concealed protects it from those who would destroy the writings, *and therefore destroy themselves*, until a time when the human family matured and awakened and realised its need.

The scriptures are like an offer to an addict deep in the throws of ad-diction, rejecting what they really need most, and lashing out, because they have lost control of their own minds. In the height of the loss of control the addict lashes out at those seeking to help them and would destroy them. The parables, analogies, riddles, codes and koans in the Helios Biblia have preserved these writings, as the power of the Word concealed within them has worked in the hu-man consciousness to do exactly that.

**Applied Meta-Physics is the Key** opening the way to comprehending their riches and applying the Wisdom revealed in one's life and proving the truth thereof.

There is a simple fact of life:

We are all created equal, in that we are all the offspring of God, and we form our lives by the thoughts, words, deeds we think, speak and do.

The equality is that the Divine Law is no respecter of personalities.

We are all held responsible for everything we do, and our body either regenerates or degenerates according to the motives of our hearts.

If we seek to rule others, we are using the life we have been given to express ourselves contrary to the Divine Law, and this is slow suicide.

If we submit to the will of another, this too is slow suicide and contrary to the Divine Law.

The LAW IS!

It is the Doorway to Everlasting Life.

PEACE.
